**Our mission is  
To activate and  
beautify city  
streets by  
encouraging  
healthy habits.**

Pocketparks reimagines and redevelops unused plots of land to provide communities with active and beautiful recreational areas.

Active Streets are Safer Streets

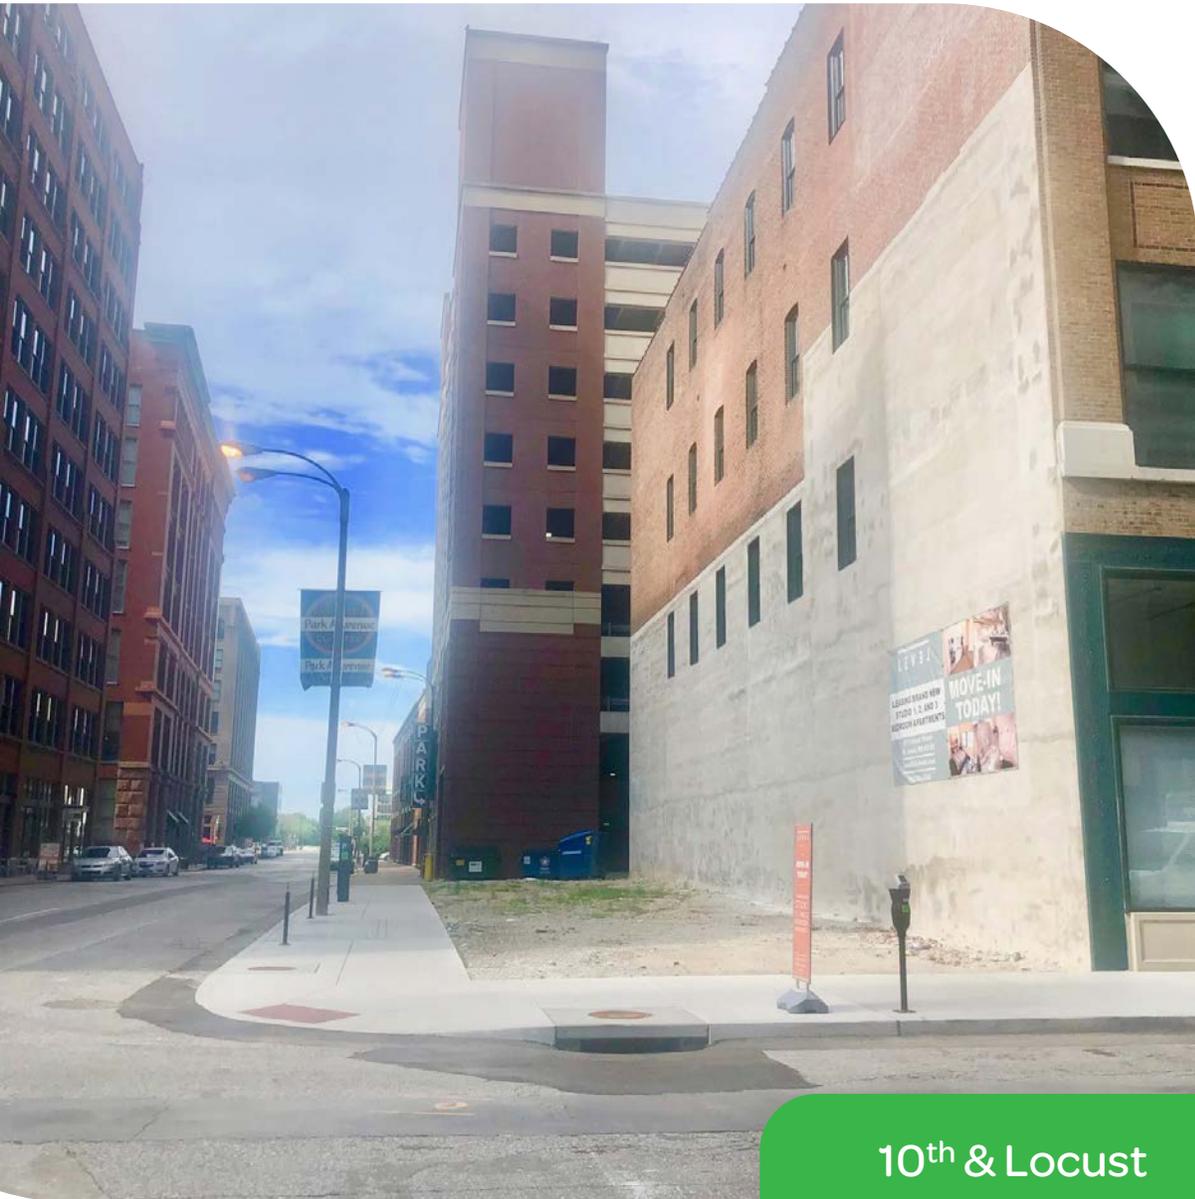

# Weaving vibrant spaces into the urban fabric.

Pocketparks not only offers beautiful recreation areas, but will boost community pride, civic trust, and increase safety.

Pocketparks is a platform to reactivate the city streets to build up the ecosystem of downtown. Our mission is to weave vibrant spaces into the urban fabric.
